Two Octave Natural Minor Scales & Arpeggios

When playing these two-octave scales strive to maintain the same relaxed embouchure and airstream from the bottom note to the top. As with the one-octave scales, only play them as quickly as you can play them correctly. You are not limited to the pattern shown below. Make up your own rhythms!

The image displays a musical score for Trombone/Baritone, consisting of 12 staves. Each staff represents a different key signature for a two-octave natural minor scale and its corresponding arpeggio. The keys are: C, F, B \flat , E \flat , A \flat , C \sharp , F \sharp , B, E, A, D, and G. Each staff begins with a bass clef and a key signature. The scale is written in a two-octave pattern, starting with a half note followed by quarter notes, and ending with a half note. The arpeggio is written in a two-octave pattern, starting with a half note followed by quarter notes, and ending with a half note. The staves are labeled with their respective key signatures: c, f, b \flat , e \flat , a \flat , c \sharp , f \sharp , b, e, a, d, and g.
